EQUUS VETS NEWSLETTER

AUGUST 2026

We have had a fun filled August having our stand at the Agricultural Shows - Devon County, Okehampton, Chagford and to finish off the month at Holsworthy Show. It has been lovely to see you all whilst enjoying a cup of tea and a piece of cake!

With the lovely weather (albeit a little too warm at times!) we wanted to give you the opportunity to share pictures of yourselves with your horses both at home and out and about. Below is a lovely selection of pictures that have been kindly sent in and we hope you enjoy seeing them as much as we have.

The Plaister Charity Stud Manager Peter alongside Aeramis who was rescued by the RSPCA/Bluescross in a very poor state now enjoying life with the Plaister Charity at The Grange Equestrian

Crystal Romance surveying his mares with The Plaister Charity at The Grange Equestrian

Lisa and Betty in the picture above and to the left both smiling and enjoying competing at British Dressage at The Grange Equestrian Centre

Catherine and Dante looking fabulous whilst enjoying a Clinic recently at The Grange Equestrian. Whilst unplanned, rather suitably positioned by our banners in the arena!! Photo credits - Tanja Davis

Becky and Rambo looking incredible riding side saddle have had a tremendous summer winning at The Grange, Liskeard, Okehampton and Chagford Shows and becoming Champion at each.

They also went to the National Competiton at Addington where they won the Turnout class along with 5 other top 10 placings!

EAST CORNWALL AREA DAY
w/c 12th September

The Equine department of North Park Veterinary Group work hard to increase our sustainability wherever we can.

Ever wonder why visit times sometimes change on our day call lists? Wherever possible, we try and plan routes for our vets. We do this to minimise driving for our vets and decrease emissions to the environment. It also enables us to allocate extra time to accommodate emergency calls and offer you a prompt, efficient service.

Nancy and her pony Rebel who have had a wonderful summer of fun at both Pony Club and successfully competing at Dressage, Showjumping, Eventing and tetrathlons.

George who is our receptionist in our Holsworthy Surgery enjoying being back out jumping with her horse Millie, having had to have time off due to injury and hope to get an event or two in before the end of the season.

Sue who many of you will know through working with us for a number of years ahead of her retirement out enjoying herself with her mare Holly winning their Mountain & Moorland class and becoming Reserve Champion in their section at Chagford Show

Lara and the ever young looking and acting 24 year old Ali having a wonderful day together at Holsworthy Show winning the Veteran class and going on to win the Championship in their ring.

The above two pictures are of the beautifully marked Hattie who is owned by Charlie, Equus's Practice Manager.

Earlier in the year Hattie broke her leg. Under Hayden's supervision and Charlie's fastidious aftercare, Hattie has fully recovered.

The bottom picture is of her first day back out in the field getting as much of the grass into her in one go as possible!!!! The picture above is of her posing more recently!

Curly who belongs to our receptionist Rachel in his corral not letting the grass being brown put him off munching whilst having some down time at the British Carriage Driving National 2 Day Event competing in the Advanced Single Horse
